

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with effectively designing, developing, marketing, manufacturing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to offering new design concepts and top quality to be able to meet the diverse needs of their clients.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They like offering products which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of employees likes new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' requirements and skills along with their understanding of cleaning applications, together with owners' strong desire to significantly reduce cost through productivity gains.

When needed, the personnel within TREK and its various dealer members in both parts and in technical support will be accessible. Among their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery ready and running day by day is top priority. The company's top of the line technology delivers dependable machinery that eventually lessens your cleaning cost. The price, the service and the product all work as one to make them an industry leader.
